Information Hotel Petunia

Hotel Restaurant

You can eat in the hotel restaurant at any time of the day. However, because the restaurant is not consistently busy, we recommend letting them know 1-2 hours before you want to eat.

Reception

The front desk is usually open until 2:00 in the morning. May and October only until 12:00 midnight. If you want to go out at night, please take your key with you just in case.

Breakfast

Breakfast is served until 11:00 am. Antonio, the good soul of the hotel, usually serves late risers too.

Quiet Periods

Between 1:00 pm and 4:00 pm, we would ask for quiet in the pool area. As a general rule, please behave as you would like others to behave. Do not turn the TV up too loud at night and do not play any loud music.

Defects

Nothing is worse than ending a holiday with bad feelings. If your studio/apartment has any defects, please inform the hotel staff or management immediately. If possible, the defects will be corrected immediately. In the case of any problems coming to an agreement, you can also contact your agent Rehmann Freienimmobilien at any time.

Children

Children are welcome at Hotel Petunia and are allowed to behave like children. However, we do ask parents to make sure their children quieten down during the lunch period between 1:00 pm and 4:00 pm, for example no diving from the side of the pool and no shouting. Here we rely on your good judgement and mutual respect.

Children's beds and cots

Children's beds, cots and high chairs are available to you free of charge at the hotel.

The Beach

Cala Carbo Beach is approximately 400 metres away. The hotel is situated 80 metres above sea level. When you come out of the hotel, first go 100 yards to the right and then take the first path to the left. Then go straight down the hill. At some point you will come to two small houses. There is a small flight of stone steps between the two houses. At the end of the steps, you can already see the bay.

The nearest beaches apart from Cala Carbo are Cala Vadella to the north and Cala d'Hort to the south. Both beaches are 5-10 minutes away by car. There are good restaurants at both beaches.
